

EB240 is an electric vehicle battery pack cell balancer launched by SmartSafe. It is used to quickly solve the problem of inconsistent voltage of lithium battery packs. It is an intelligent and efficient battery pack balancing ...

New energy vehicle module detector/Lithium battery differential pressure balancer/Balance maintenance machine. Product profile KDZD885C battery capacity balance test system, mainly used for lithium battery box charge and ...

KDZD885C lithium battery balance maintenance instrument Applications: Adopts single-phase (220VAC) AC power supply. applies to routine discharge, charging, and balanced maintenance of lithium battery packs. Send Inquiry; Chat Now; Response within 24 hours. Free warranty 12 month. On-line training Support

Usage scenarios. Cell balancing: When the cell voltages in the battery pack are inconsistent, EB480 can be used to balance the cells to achieve consistent cell voltages within the battery pack. Trim after replacing battery ...

The portable battery pack balance maintenance instrument PBM-P series regulates the voltage and SOC of each single battery by controlling the charge and discharge ...

Lithium Battery Charge Discharge Testing and Balance Maintenance Machine DT50W-16 can be applicable for the capacity test, auto-cycle charge and discharge test, capacity ...

Battery Maintenance and Test - Heltec BMS. Battery Maintenance and Test. Grid view List view. Showing all 13 results ... Heltec 2-24S 8A Active Equalizer Balancer with Voltage Measuring Lifepo4 Lithium Lipo for Battery Equalizer Repair Instrument \$ 510.00 Original price was: \$510.00. \$ 429.00 Current price is: \$429.00.

The PBM-PW series of portable battery pack balance maintenance instruments supports three maintenance modes: parallel charge maintenance, parallel discharge ...

The portable battery pack balance maintenance instrument PBM-P series regulates the voltage and SOC of each single battery by controlling the charge and discharge of the cells in the battery module, thereby solving the problem of reduced battery pack capacity and shortened cycle life due to voltage differences between single batteries in the ...

BATTERY BALANCE MAINTENANCE INSTRUMENT. No reviews yet. Xiamen Aeocauto Technology Co., Ltd. Multispecialty supplier 2 yrs CN . Previous slide Next slide. Previous slide Next slide. Key attributes. Industry-specific attributes. OE NO. EV maintenance tools. Other attributes. Place of Origin

Lithium Ion Battery Pack Balance Maintenance instrument-UVT series is a maintenance and repair equipment especially for the lithium battery pack of new energy EV, it can effectively solve EV shortened cruising range, shorten ...
