

What is a capacitor market?

The capacitor market is a semi-consolidated market. The market is competitive with the presence of various large-scale manufacturers in the market across the globe. The capacitor market has long-standing established players who have made significant investments.

What is the growth rate of the capacitor market?

The global capacitor market is expected to grow at a CAGR of 6.5% from 2018 to 2030. The market growth is attributed to the increasing demand for capacitors in various applications, such as industrial, automotive electronics, consumer electronics, energy and others.

What are the key factors affecting capacitor market growth?

The market growth is attributed to the increasing demand for capacitors in various applications, such as industrial, automotive electronics, consumer electronics, energy and others. In terms of type, the ceramic capacitor segment is expected to hold the largest share of the global capacitor market during the forecast period.

Which region will be the largest market for capacitors in 2017?

Asia Pacific is expected to be the largest market for capacitors with a revenue share of over 35% in 2017. The region has been witnessing strong economic growth on account of rapid industrialization and urbanization.

How big is the capacitor market in 2024?

The Capacitor Market is expected to reach USD 25.21 billion in 2024 and grow at a CAGR of 5.90% to reach USD 33.57 billion by 2029. TDK Corporation, Murata Manufacturing Co., Ltd., KEMET Corporation, Vishay Intertechnology, Inc. and WIMA GmbH & Co. KG are the major companies operating in this market.

Where do capacitors come from?

The Asia-Pacific region is one of the most prominent markets for capacitors. The automotive industry is increasing in China, and the country plays an increasingly important role in the global automotive market. The government views its automotive industry, including the auto parts sector, as one of the country's pillar industries.

The capacitor market is segmented by type (ceramic capacitors, tantalum capacitors, aluminum electrolytic capacitors, paper and plastic film capacitors, supercapacitors/EDLCs), by end-user industry (automotive, industrial, ...

The global "Automotive Battery/Capacitor market" is projected to experience an annual growth rate of 11.6% from 2024 to 2031. The Global Market Overview of the Automotive Battery/Capacitor Market ...

Capacitor Market Trends Statistics for the 2023 & 2024 Capacitor market trends, created by Mordor Intelligence(TM) Industry Reports. Capacitor trend report includes a market forecast to 2030 and historical overview. Get a sample of this industry trends ...

Topics Covered in the India Capacitor Market Report. The India Capacitor Market report thoroughly covers the market by Products, and by Applications. The market report provides an unbiased and detailed analysis of the ongoing ...

Capacitor Market Share Statistics for the 2023 & 2024 Capacitor market share, created by Mordor Intelligence(TM) Industry Reports. Capacitor share report includes a market forecast to 2030 and historical overview. Get a sample of this industry share analysis as a free report PDF download.

Silicon Capacitors - Market Share Analysis, Industry Trends & Statistics, Growth Forecasts (2024 - 2029) - The Silicon Capacitors Market size is estimated at USD 1.94 billion in 2024, and is expected to reach USD 2.65 billion by 2029, growing at a CAGR of 6.43% during the forecast period (2024-2029).

Silicon Capacitors - Market Share Analysis, Industry Trends & Statistics, Growth Forecasts (2024 - 2029) ... this factor is driving significant growth in the global silicon capacitor industry. Asia-Pacific to Witness Significant Growth. The region, particularly countries like China, Japan, South Korea, and Taiwan, is at the forefront of ...

This market report covers trends, opportunities and forecast in the global capacitor market to 2030 by end use industry (telecom, computers, consumer electronics, automotive, industrial, and others), voltage (low voltage and high ...

Statistics for the 2025 Capacitor market share, size and revenue growth rate, created by Mordor Intelligence(TM) Industry Reports. Capacitor analysis includes a market forecast outlook for 2025 ...

Alcon Electronics provides a wide range of film and screw-terminal aluminum electrolytic capacitors for power electronic applications. Capacitor Industry Overview The capacitor market is a semi-consolidated ...

Asia Pacific Lithium ion Capacitor Market Trends And Status Updates: Asia Pacific Market Trends: We have analyzed various aspects of the market, such as consumer behavior, industry practices, technological advancements, economic indicators, competitive landscapes, etc., and included a detailed qualitative analysis under this section of the final ...
