These solar flameless candles give off the warm light to mimic the flattering candlelight glow we all know and love. Solar-powered, save the trouble of replacing batteries or wire charging. The built-in light sensor brings a convenient choice. After absorbing light energy in the sun during the day, it will automatically light up when it is dark.

You can order Portable Power Stations at Solar Power Supply. Portable, or as a UPS system at home. Backup energy for off-grid or emergency supply system at home.
