

How many years of warranty for foreign trade battery packs

Are batteries covered by a warranty?

Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work? The guarantee covers any manufacturing defects which arise within the guarantee period.

Is a car battery warranty transferable?

Your car battery guarantee isn't transferable between vehicles. Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work?

What are the requirements for a battery warranty?

All battery warranties carry specific requirements to be met to maintain compliance and consideration. Each battery manufacturer sets operational limits for warranties, including operation over a range of ambient temperatures, float voltage, normal and equalization of charge conditions, depth of discharge, current limits, etc.

Does a warranty replace a legal guarantee?

This can either be included in the price of the product or at an extra cost. This warranty does not replace the legal guarantee, which is always a minimum of 2 years, and you must inform the consumer that this will not affect their right to the legal guarantee. Each EU country implements the rules slightly differently.

Do products come with a warranty?

If you buy goods or services, they may come with a legal guarantee and/or a commercial warranty. Both provide additional protection if the product turns out to be defective or otherwise not in conformity with its stated specifications.

What if a warranty comes with a guarantee?

If both a guarantee and a warranty come with the product, the documentation should specify in clear terms who is responsible for dealing with each of the remedies (seller/retailer, manufacturer, or a third-party/repair service). What is a legal guarantee?

However, most carmakers are aware of buyers' concerns about battery longevity, so as well as selling their electric cars with customary warranties of three, five or even seven years' duration covering all the vehicles' components, most of ...
