

New Energy Solar Panel Aluminum Sheet Price List

We are one of India's oldest and fastest growing manufacturers of solar panel mounting structures. We guarantee the best solar panel structure at the most affordable price. We have a ...

Aluminum extrusions" use in the solar industry is extensively used and perhaps one of the most popular uses of aluminum extrusions is in the making of solar panel frames. These frames offer the support in which the photovoltaic cells can be mounted and prevent any of the cells from being subjected to physical force such as by a gust of wind, or an object falling on the structure.
