

Who is Viking Solar?

When it comes to experience, skill, innovation, technology, and, most importantly, ensuring the client's complete satisfaction, we are the name to go with. Viking Solar is an engineering, procurement, and construction company specializing in the design, construction, and commissioning of large-scale photovoltaic power plants.

Who is BSR Engineering Procurement & Construction (EPC)?

BSR Engineering, Procurement and Construction (EPC) builds, connects and manages utility-scale solar and energy storage projects for developers and investors in the UK and internationally. With more than a decade's construction experience, working with BSR EPC ensures a professional and technology-focussed service.

Is solar photovoltaic energy a good investment?

Solar Photovoltaic power is already the cleanest, most sustainable, most abundant, and cheapest energy source available. Advances in energy storage now allow the cost-effective use of solar energy to be extended beyond daylight hours. Solar photovoltaic energy is a reliable and proven technology and can provide a safe and profitable investment.

Who has built and commissioned the photovoltaic installation?

We hereby confirm that Krone Solar has built and commissioned, as EPC contractor, the photovoltaic installation The Mark /Location: Bucharest, 37 kWp. The photovoltaic installation is now in commercial operation for self-consumption, it was constructed in compliance with the strictest industry and good practice norms.

Who is BSR EPC?

With more than a decade's construction experience, working with BSR EPC ensures a professional and technology-focussed service. We can deliver both turnkey packages or bespoke combination packages, which include design, procurement and construction as required.

Will big companies invest in solar PV?

As big enterprises are entering the solar landscape along with prominent financial corporations that see a lucrative business case and are willing to finance solar projects, holds quite a promise for Solar PV's future. Sgurr Energy has gained significant recognition in the wind power sector.
