

Rental income from rooftop photovoltaic solar panels

How can you make money from a solar roof?

Solar rooftop leasing is one of the three basic ways you can make money from your rooftop with solar energy. The other two involve owning and operating solar panels on your own roof and joint venturing with a developer who will install the solar panels and share the income with you.

Are solar panels paying rent for your roof?

Technically, they're not paying rent for your roof, because you'll get the benefit of powering your home using solar power instead of grid electricity. They'll make money from the electricity you don't use. All excess electricity generated is sold back to the grid via the Smart Export Guarantee (SEG) scheme.

Are solar panels a good investment for rental properties?

One of the primary advantages of solar panels is the significant cost savings on electricity bills. By harnessing the power of the sun, rental properties can generate clean and renewable energy, reducing or even eliminating dependence on grid electricity.

Are solar panels a capital expenditure?

Thank you for your question. Unfortunately, the installation of solar panels is classed as a Capital Expense. There are no provisions to claim relief for this against rental income for this current tax year. Landlords Energy Savings Allowance is only available for qualifying expenditure between 6 April 2004 and 5 April 2015.

Are solar panels tax deductible?

Solar panels are an enhancement to the property and are thus not claimable as a rental expense. Keep a note of the expenditure though as you can claim the cost as a deduction for capital gains tax purposes if the property is sold. Wear and tear allowance is not available for unfurnished lettings.

Can you buy a house with rent-a-roof solar panels?

Buying a house with Rent-a-Roof solar panels could lead to mortgage complications. For example, if the lease includes maintenance cost obligations, or if there are certain access rights granted to the installer, a mortgage provider could be unwilling to lend.
