

**What is Solar Energy Expo?**

Solar Energy Expo is a unique opportunity for professionals seeking cutting-edge solutions in the solar energy sector. This event brings together leaders in innovation, offering a wide range of technologies - from advanced photovoltaic panels to energy storage systems to modern tools for managing energy efficiency.

**When is SNEC PV+ international solar photovoltaic & smart energy (Shanghai) conference 2025?**

The 18th (2025) SNEC PV+International Solar Photovoltaic and Smart Energy (Shanghai) Conference will be held from June 10-12, 2025, at the National Exhibition and Convention Center Shanghai InterContinental Hotel. The conference will delve into the development trends of the photovoltaic industry in China and globally.

**Why should you attend Solar Energy Expo 2024?**

You can make new contacts, meet new people, new companies, and new solutions. "This exhibition is very professional and focused on solar energy solutions so we decided to take a part in this exhibition in 2024. Actually
