

What is St John's battery known for?

It is sometimes described as an outpost within the city of St. John's and is noted for its steep slopes, and colourful houses. The Battery has been the site, over the centuries, for gun emplacements (batteries), such as Fort Waldegrave, for the defence of St. John's Harbour, including during both World Wars.

What AEDs does St John Ambulance carry?

St. John Ambulance carries a wide variety of AEDs, including ZOLL, Philips, Stryker, and Cardiac Science.

Can I donate a lithium battery to FRx & HS1?

Thank you for making a difference! \*Donations over \$2 are tax deductible. This battery is suitable for both FRX & HS1 units.
